

NAE Defense

Mission-Ready Ground Systems & Defense Support for the GCC

Dependable support solutions for ground platforms, weapons systems, ammunition-related requirements, and mission-critical spare parts.

NAE Defense delivers responsive, mission-focused support across the GCC. We help customers source and sustain ground systems, weapons-related components, ammunition support items, repair parts, and critical spares—backed by disciplined execution, trusted supplier relationships, and a commitment to readiness.

GROUND SYSTEMS

Support for armored vehicles, logistics platforms, and mission equipment.

WEAPONS SUPPORT

Sourcing and support for weapons systems, mounts, and associated components.

AMMUNITION & SPARES

Reliable supply of ammunition-related consumables, spare parts, and repair components.

MISSION SUSTAINMENT

Integrated logistics, supply-chain support, and sustainment solutions that keep operations moving.
