

HURRICANE AERODEFENSE

Hurricane AeroDefense is a certified HUBZone and Women Owned Small Business headquartered in Pompano Beach, Florida that specializes in sourcing and manufacturing components for the Commercial & Defense markets to include Air, Ground, Maritime, Body and Vehicle Armor and Advanced Materials. Founded in 2007, our team possesses over 125 years of experience providing solutions for hard-to-find, long lead time components as an experienced seller-manufacturer.

Hurricane is a global provider of innovative aftermarket solutions for the aerospace and defense industry — offering everything from parts sourcing to management to services and support for various types of sea, air, and ground vehicle platforms. In addition to offering value-adding and integrated services, Hurricane AeroDefense is devoted to developing business partner relationships as well as new business concepts to the benefit of all our Civil and Defense trading partners.

Hurricane is not only committed to providing our customers with quality products and services, but we are also continuously improving and developing tailor-made solutions that provide global support to our customers. The products and services we provide continually meet and exceed our customers' expectations, while avoiding harm to the environment and our employees. (refer to AS9100, AS9120, ISO9001 Quality Standards)
